

## Inviting and Assigning a Peer Recommender

Who can write your Peer Evaluation? Here are a few examples: a classmate or teammate; your brother, sister or cousin; a co-worker; a friend you met at summer school or summer camp; your lab or debate partner.

This is a two-step process. You must invite a recommender to write a recommendation and then assign it to Dartmouth:

1. Sign into common application, go to the "My Colleges" tab, and select "Dartmouth."
2. Click on "Assign Recommenders."
3. Invite your peer to write a recommendation by clicking on the blue link at the top of this tab that says "Manage Recommenders."

4. Select a type of "Other Recommender" and a Relationship of "Peer," add your recommender's information, click "Send Invite," and then close this window
